participate in the community,
including group activities

Preparing for your NDIS Plan

To help you understand and navigate the NDIS, we can:

Provide information on how to apply for the NDIS.

Provide advocacy, advice & support.

Attend your planning & plan implementation meetings.

Interpret and translate your communication with NDIS staff for you.

Registered
NDIS
Provider

Why choose CAASSA?

We have over 40 years' experience.

We are an NDIS Registered Provider. We abide by a set of quality standards set out by the NDIS Quality & Safeguards Commission.

We are genuinely passionate about helping you to achieve your goals.

We speak your language and respect your culture.

We will match you with your preferred support staff and environment to ensure you feel safe and respected.

We acknowledge and advocate for your choice and control.
